The social engineering Managing Without Authority (MWA) experiments we launched at Platte City in Oct-2001 evolved as an adhocracy!

During Dec-2001, I asked the Minnesota Futurists Chapter to be our Upper Midwest posse helping us cultivate [MentorshipART of Peace](#) (Presponse Systems Thinking) protocols. We began by adapting Twin Cities Knowledge Management Forum “Virtual Team Tactics” to HONOR our hometown heroes via a 2002 MnSCU-iTeach Conference mini-tutorial ...

Our intent was to begin benchmarking Hornaday Award BSA / Environmental Education [Anticipatory Thinking Integration](#) practices that could be shared or showcased during the World Futures 2007 Conference hosted by our <http://MnFuturists.org> Chapter. I became a CapellaU Lecturer to learn skills of facilitating within an advanced distributed learning network ...

Then I encountered [ESSDACK's Glen Wiebe](#) at TIES-2003 along with Atomic Learning innovators from Little Falls, MN. During 2004, my wife and I decided to move to the Kaw Valley to exercise our freedom of influence ([FIFTH Freedom](#)) over sequels to the [USNPS Lewis & Clark Bicentennial](#) inter-regional ([Waters to the Sea](#)) eco-history events!

During Dec-2004, I visited with Atomic Learning's CEO at TAKE-2004 and got acquainted with key Kan-Ed Network influencers and [Social Responsibility Pathfinders](#) Kansas Supreme Court Justice [Robert L. Gernon](#) sanctioned my (Futurethought Leadership Learning Collaboratory) role as [Monticello Township](#) watershed marshal.

On 7-Dec-2005, I engaged the Shawnee Area Chamber of Commerce ([SACC](#)) as my Sesquicentennial Posse to HONOR our community's hidden hometown heroes! Our emerging [Digital Jaywalker Journal](#) efforts adapted Wikinomics protocols to help anchor & expand our Lower Kaw Valley Geotourism initiatives during 2006.
