Legacy MyScouting Web Tools

- Training manager (for key o)
- Youth Protection Training Report has been moved from the Search Training screen and placed on the YPT dashboard for quicker view.
- A new "Trained Leaders Report" is available and an icon placed on the Trained Leaders dashboard for printing. This report lists those who are not position-trained, along with additional training needed to be position-trained in the position(s) they currently hold. The report also lists those who are position-trained.

Summit High Adventure Coming In 2014

My Dashboard provides the ability to view and update your personal profile information and view completed training(s). Upon login, select Home at the top, then My Dashboard from the drop-down list.

The system defaults to the My Profile page displaying profile details in separate editable sections. The Positions section displays current active positions registered in Scouting. A “Trained” icon appears next to position(s) to indicate position-trained. A green checkmark to the left of the title indicates the primary paid registered position.

Help Manual

You are also able to print your membership card from your profile screen. To do so, select the membership card icon in the lower bottom of the Profile Information section. A PDF document of your membership card will then download to your computer that you may save or print. If you have more than one position, you will be given the option to select which one to print.

Help Manual

To change/update current information displayed in your profile, click in the field with the forward arrow at the end. In this example, the business phone information was selected. A window appears where you may then update the information, and set as primary. Once changes have been made, select Save.

NOTE: You will initially be required to select the Country when viewing/updating phone information before saving.

Help Manual

To print training certificates of completed courses, you may select each course individually by clicking in the box next to the green circled check mark. Or, click in the gray box in the function bar near the top right to select all courses. Once selected, click the blue print icon next to it. A PDF training certificate document will then download to your computer that you can save or print.
